REQUEST FOR PROPOSALS

FOR

2016 TEMPORARY ASSISTANCE TO NEEDY FAMILIES SUMMER YOUTH EMPLOYMENT PROGRAM

SECTION I

INTRODUCTION AND ANNOUNCEMENT

The County of Westchester (the “County”), acting on behalf of the Westchester/Putnam Local Workforce Development Board (“WPLWDB”), is soliciting proposals from public and private not-for-profit organizations to operate Temporary Assistance to Needy Families (“TANF”) Summer Youth Employment Programs. The TANF Summer Youth Employment program targets youth 14 to 20 years old.

The purpose of the TANF Summer Youth Employment Program is to provide summer employment jobs to eligible youth. A direct, hands-on experience in a job is an effective method of assisting youth in experiencing the rewards of doing a good job and receiving a paycheck. The use of a financial incentive, via wages, is a powerful motivator for youth to come to work, to come to work on time, do the job, and to stay on the job. The TANF Summer Youth Employment Program is designed to provide services to youth ages 14 to 20 during the summer months.

Proposers are invited to submit proposals for the TANF Summer Youth Employment Program. Proposals must conform to the requirements of this RFP and to the provisions of the TANF Summer Youth Employment Program.

The availability and level of funding for the program has yet to be determined. This RFP is being issued to solicit proposals in anticipation of funding being made available. This RFP is soliciting proposals to serve the youth of Westchester County, exclusive of the City of Yonkers. A separate RFP may be issued for summer youth employment program services for Putnam County. There exists the possibility that the County will enter into contracts with multiple proposers, with each providing a specific TANF summer employment program as part of the County’s overall program.

Interested parties may pick up copies of this RFP at the Westchester County One Stop Employment Center, 120 Bloomingdale Road, 2nd floor, White Plains, New York 10605 or, may download a copy from the Westchester County One Stop Employment Center web site at www.westchesterputnamonestop.com under “Doing Business with the County” and on the Westchester County RFP web site at www.westchestergov.com/rfp

SECTION II

TANF SUMMER YOUTH EMPLOYMENT PROGRAM SCOPE OF SERVICES/PROGRAM NARRATIVE

The following section contains the scope of services for the TANF Summer Youth Employment Program in the format of a series of requirements that will be put upon the program operator. In completing the narrative section of your proposal you should explain how your program would comply with each of the requirements listed below. Please be specific in your responses. If your proposal is selected for funding, this narrative section will become your contract narrative. Please be brief and keep your responses to one (1) page.

Program operators will be responsible for:

Recruitment/Certification/Documentation

- Recruit and determine eligibility and suitability for program participants under NY State TANF eligibility guidelines (available from the One Stop Career Center).
- Obtain proof of: family income, family size, date of birth, residence, social security number, citizenship, handicapped and military status, as applicable and maintain records on youth served by the program that contains eligibility documentation.
- Obtain working papers for all youth under 18 years of age.
- Obtain completed I-9 forms for all youth.
- Assume full financial liability for any participants deemed ineligible.
- Make every effort to recruit all eligible youth, placing emphasis on recruiting at-risk groups such as teenage parents, ex-offenders, as well as youth with limited English speaking ability.

Orientation/Worksite Development/Job Placement

- Ensure that all participants receive an orientation outlining program goals, requirements, procedures, and pay schedule.
- Develop work site placements in public and private and not-for-profit agencies.
- Match youth to worksites based on each youth's ability, interest, employment goals and the supervision offered.
- Maintain a ratio of a minimum of one (1) work site supervisor to every ten (10) participants.
- Provide worksite assignments that are in compliance with New York State child labor laws (must be detailed in the Worksite Agreement for each youth enrolled in the program).
- Provide worksites that are accessible to the disabled.
- Provide job placement that begins following the end of scheduled classes in the spring term and that will end prior to the start of classes in the fall.

- Provide placements that provide between a 20 to 35 hour work week at a wage that reflects experience and skill, but may be no less than \$9.00 per hour. (Worksite agreement included with attachments).
- Worksites must be identified as non-profit, public or private.

Monitoring/Attendance/Medicals/Evaluations and After Action Report

- Provide all supervisors of program participants with a formal familiarization of program goals, requirements and procedures.
- Maintain participant sign in sheets (time and attendance) at all worksites.
- Complete a worksite agreement for each participant. Careful attention must be paid to the job title and age restrictions. Placements **must** comply with New York State laws and regulations governing the employment of minors (available at the Westchester County One Stop Career Center).
- Include a signed medical release form with each participant's worksite agreement. (Medical release and worksite agreement included with attachments)
- Monitor worksites a minimum of once a week and maintain written documentation of worksite visits at the program operator's office.
- Obtain from each participant evaluations of the program and their work experience. (Evaluations included with attachments)
- Obtain an evaluation from the worksite supervisor on all youth enrolled in the program. (Evaluations included with attachment).
- Complete, and submit to the Westchester One Stop Employment Center, an After Action Report evaluating the outcomes of the program.

Financial Literacy

Proposals for the 2016 Temporary Assistance to Needy Families Summer Youth Employment Program must include a financial literacy program for all participants. The application must include the following:

- a. A description of the program that includes the overall goal of the program, activities planned, scheduling description, goals to be achieved, scheduling and how will you determine program success.
- b. Documentation in each participant record indicating program completion.

Income Verification

- a. For SYEP eligibility, current income is defined as income that has been or is expected to be received in the calendar month of the application for TANF services, and is expected to continue beyond that month. If income in the calendar month of application is higher than the family member's regular monthly income, the applicant may provide information based on annual income from the previous 12 months. A six month period is no longer acceptable for

income verification.

- b. Family size should also be determined during the calendar month of the SYEP application. Family members include the applicant's mother, father, stepmother, stepfather, any brothers or sisters (including half-siblings) who are under 18 years of age (or 18 and in secondary school) and these siblings' parents if they all reside in the applicant's home.

Revised TANF Youth Services Application:

Due to the increase in New York State school districts wholly participating in the federal Community Eligibility Provision, the TANF Youth Services Application has been revised. Specifically, school lunch has been removed as an income eligibility category under federal 200% of poverty guidelines. The updated TANF Youth Application must be used for the 2016 SYEP.

New York State Summer Youth Program Final Report Clarifications:

- **Eligibility Type:** SYEP participants should be reported as either in receipt of Family Assistance or Safety Net Family Assistance (FA or SN-Family), or eligible under federal 200% of poverty guidelines (200%). Individuals who are not categorically eligible must complete the TANF Youth Services Application and meet the certification requirements therein to receive services under federal 200% of poverty guidelines. Applicants in receipt of SNAP, Medicaid, SSI and HEAP are automatically income eligible, and if these individuals meet all TANF eligibility requirements they should be reported under the 200% category on the Final Report.
- **School Status:** SYEP participants should be reported as in school if they are enrolled in high school or an equivalent level of vocational training. Youth who have graduated high school and enrolled in college or a career/technical school should also be reported as in school. Out of school youth are high school or college-aged youth who are not attending school or pursuing higher education.

FISCAL/BUDGET REQUIREMENTS

If funded, the TANF Summer Youth Employment Program will be funded on a cost reimbursement basis. Budgeted expenses will be reimbursed when a claim is presented with accompanying backup documentation. The contractor **must** submit backup documentation, including payroll registers, timesheets or sign in sheets, invoices, receipts, and cancelled checks.

Note: If funded, it is recommended that the contractor/vendor have available funds to cover the payroll for the program.

SECTION III

COMPLETING THE APPLICATION

The following is a guide designed to take you through the preparation of a proposal. All of the schedules are attached to the RFP and should be completed or used as appropriate. Please remember that any proposal that does not contain all of the required sections will not be reviewed.

The evaluation criteria for this RFP are set forth in Schedule “A”.

1.) BUDGET (provided in Schedule "A")

Complete the budget for all proposals. This schedule should be used to estimate all costs involved with each program. This will be used to better understand what staff is going to be used and what expenses are going to be incurred. Please remember that this is a cost reimbursement contract. This schedule should only be used to estimate costs.

Please also provide, attached to Schedule "A", a copy of your most recent financial statement. Describe the accounting and fiscal reporting arrangements of the project, including such information as who acts as the fiscal auditor-controller, who approves purchases and contracts, what financial records are kept, what reports are regularly made and to whom.

2.) CHECKLIST OF REQUIRED DOCUMENTS (provided in Schedule "B1")

The checklist shows all of the items that must be submitted with each proposal. Proposals that do not contain all of the required documents, as indicated in the checklist attached as Schedule “B1”, will not be reviewed or considered for funding. Please include a copy of the checklist with your proposal showing that each section is attached.

3.) PROPOSAL SUMMARY FORM (provided in Schedule "B2" — complete one for each program for which you are submitting a proposal)

The Program Summary should be just that; use the summary form and present a concise one-paragraph statement describing the project for which funds are requested. Be sure to include:

- Activities and services to be provided; including assessment
- Program duration
- Number of youth to be served
- Special target groups
- Geographic area(s) to be served

Please note that your response to the following sections represents your primary proposal and should not exceed five (-5) pages for each program for which you are submitting a proposal.

SECTION IV

In addition to the foregoing, by submitting a proposal, the proposing entity also understands and agrees that the County of Westchester reserves the right, and may at its sole discretion exercise, the following rights and options with respect to this RFP, except to the extent restricted by applicable law, including, but not limited to, the Westchester County Procurement Policy, as amended:

- To enter into an agreement for only portions (or not to enter into an agreement for any) of the services contemplated by the proposals with one or more of the proposers;
- To select the proposal that best satisfies the interests of the County and not necessarily on the basis of price or any other single factor;
- While this is an RFP and not a bid, the County reserves the right to apply the case law under General Municipal Law § 103 regarding bidder responsibility in determining whether a proposer is a responsible vendor for the purpose of this RFP process;

- The County assumes no responsibility or liability of any kind for costs incurred in the preparation or submission of any proposal;
- The County is not responsible for any internal or external delivery delays which may cause any proposal to arrive beyond the stated deadline. To be considered, proposals MUST arrive at the place specified herein and be time stamped prior to the deadline.

- To provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

The selected proposer shall agree that, upon execution of any contract between the proposer and the County, the Contractor will be required to provide proof of the insurance coverage described in Schedule "B11".

Insurance coverage in amount and form shall not be deemed acceptable until approved by the County of Westchester, Department of Risk Management. The Director of Risk Management may alter insurance requirements at his discretion.

Audit Language:

It is anticipated that the contract will include the following provisions:

The Provider agrees to submit to the County within one hundred twenty (120) days of the expiration each fiscal year which includes any part of the term of this Agreement, an audited financial statement and report of internal control, at Provider's sole cost and expense, for the preceding fiscal year prepared and signed by a Certified Public Accountant. The auditor shall comment that the funds provided by the County were spent in compliance with the Agreement and did not replace funds previously provided from

another source nor contributed to any surplus. The financial statement shall include, but not be limited to, a summary of gross income and operating expenses attributable to the provision of services hereunder. Said summary shall be organized in conformance with the budget lines set forth in Schedule "B", if applicable. If the audited financial statement supplied by the Provider is not satisfactory in the reasonable opinion of the County Commissioner of Finance (or his designee), it shall be deemed a breach of contract by Provider and in addition to any other remedies that the County may have, the Provider shall not be eligible for any new contracts with the County for a period of up to five (5) years. The Provider shall establish and maintain separate accounting procedures for the funds provided hereunder which shall present an accurate record of the disbursement and use of the funds provided hereunder. Such accounting procedures shall conform to Generally Accepted Accounting Principles and Generally Accepted Auditing Standards. If Provider has a contract similar to this contract in all material respects in the year prior to the execution of this Agreement, Provider shall supply an audited financial statement and report of internal control for the fiscal year which included the last year of such prior contract with the County within 120 days of the end of the fiscal year of Provider, unless agreed otherwise by the County Commissioner of Finance.

The LWIB shall withhold five percent (5%) of the amount of funds provided for each contract year until the County receives a satisfactory audited financial statement and report of internal control which is due to the County under the terms of this Agreement.

The LWIB shall have the right, at its option and at its sole cost and expense, to audit such books and records of the Provider as are reasonably pertinent to this Agreement to substantiate the basis for payment, regardless of whether the Provider has submitted its own audit hereunder. The County may withhold payment of funds hereunder for cause found in the course of an audit or because of failure of the Provider to cooperate with an audit. The County shall, in addition, have the right to audit such books and records subsequent to payment, if audit is commenced within one (1) year following termination of this Agreement, and to perform random audits during the term of this Agreement. In the event an audit received from the Provider or an audit done by the County reflects overpayment by the County or that monies were not fully expended or that monies were improperly expended, then the Provider shall reimburse to the County the cost of such audit (if the audit was done by the County or on the County's behalf) and the amount of such overpayment, underpayment or improper payment, within thirty (30) days of the notice from the County.

The Provider further agrees to permit designated employees or agents of the County reasonable on-site inspection of the work being performed by the Provider under this Agreement, its books, accounts, financial audits and records and agrees to keep records necessary to disclose fully the receipt and disposition of funds received under this Agreement. Unless the County shall, in writing, advise the Provider to the contrary, the Provider shall retain all financial records related to this Agreement for a period of six years after the expiration or termination of this Agreement.

In addition to any other remedies it may have, the County shall have the right to deduct from future contract payments, under any contracts the County may have with Provider, any funds the County may determine are owed to the County under this Agreement.

A proposal would not be considered complete if any of the application requirements or the budget limitation part is not met.

Authorized Signature Sheet: (Provided in Schedule “B3”)

The proposal shall be signed by an official authorized to bind the applicant, and shall contain a statement to that effect. The proposal shall also provide the following information: name, title, address and telephone number of individual(s) with authority to negotiate and contractually bind the applicant, and who may also be contacted during the period of proposal evaluation.

SCHEDULE "C"**CRIMINAL BACKGROUND DISCLOSURE
INSTRUCTIONS**

Pursuant to Executive Order 1-2008, the County is required to maintain a record of criminal background disclosure from all persons providing work or services in connection with any County contract, including leases of County-owned real property and licenses:

- a.) If any of the persons providing work or services to the County in relation to a County contract are not subject to constant monitoring by County staff while performing tasks and/or while such persons are present on County property pursuant to the County contract; and
- b.) If any of the persons providing work or services to the County in relation to a County contract may, in the course of providing those services, have access to sensitive data (for example SSNs and other personal/secure data); facilities (secure facilities and/or communication equipment); and/or vulnerable populations (for example, children, seniors, and the infirm).

In those situations, the persons who must provide a criminal background disclosure ("Persons Subject to Disclosure") include the following:

- a.) Consultants, Contractors, Licensees, Lessees of County-owned real property, their principals, agents, employees, volunteers or any other person acting on behalf of said Contractor, Consultant, Licensee, or Lessee who is at least sixteen (16) years old, including but not limited to Subconsultants, subcontractors, Sublessess, or Sublicensees who are providing services to the County, and
- b.) Any family member or other person, who is at least sixteen (16) years old, residing in the household of a County employee who lives in housing provided by the County located on County property.

Under Executive Order 1-2008, it is the duty of every County Consultant, Contractor, Licensee, or Lessee to inquire of each and every Person Subject to Disclosure and disclose whether they have been convicted of a crime or whether they are subject to pending criminal charges, and to submit this form with that information.³ Accordingly, you are required to complete the attached Criminal Background Disclosure Form and Certification.

Please note that under no circumstances shall the existence of a language barrier serve as a basis for the waiver of or an exception from the disclosure requirements of Executive Order 1-2008. If translation services are required by the Consultant, Contractor, Licensee, or Lessee to fulfill this obligation, it shall be at the sole cost and expense of the Consultant, Contractor, Licensee, or

³ For these disclosures, a "crime" or "pending criminal charge" includes all felonies and misdemeanors as defined under the New York State Penal Law or the equivalent under Federal law or the laws of any other State.

Lessee.

Please also note that the conviction of a crime(s) and/or being subject to a pending criminal charge(s) will not automatically result in a denial of a person's right to work on a County contract, right to be on County property, or license, but may, if the County determines that the prior conviction(s) or pending criminal charge(s) create an unacceptable risk. However, if a person fails to list or falsifies any part of his/her conviction history or any pending criminal charge(s) for any reason, he/she may be prohibited from working or being on County property without any risk assessment. If it is later determined that a Person Subject to Disclosure failed to disclose a criminal conviction or pending criminal charge for any reason, his/her right to work on a County contract, be on County property, or license may be terminated at any time.

Please further note that, pursuant to Executive Order 1-2008, and subject to the applicable provisions of New York Correction Law §§ 752 and 753, the County has the right to bar a Person Subject to Disclosure from providing work or services to the County or from being on County property if any such person has:

- a.) A conviction of a crime(s);
- b.) A pending criminal proceeding for a crime(s); or
- c.) Refused to answer questions concerning his/her criminal background

Please finally note that any failure by a County Consultant, Contractor, Licensee, or Lessee to comply with the disclosure requirements of Executive Order 1-2008 may be considered by the County to be a material breach and shall be grounds for immediate termination by the County of the related County contract.

Exemptions

Executive Order 1-2008 exempts from the aforementioned disclosure requirements Persons Subject to Disclosure:

- a.) for whom the County has already conducted a background check and issued a security clearance that is in full force and effect; and
- b.) for whom another state or federal agency having appropriate jurisdiction has conducted a security and/or background clearance or has implemented other protocols or criteria for this purpose that apply to the subject matter of a County contract that is in full force and effect.

If you are claiming an exemption for one or more Persons Subject to Disclosure, you must notify the Procuring Officer⁴. The Procuring Officer will then determine whether the Person(s) Subject to Disclosure are actually exempt, and provide written notification of his/her determination. If the Procuring Officer determines that a Person Subject to Disclosure is not exempt, the Procuring Officer will notify you of that determination, and you will have to include disclosures for that person on your Criminal Background Disclosure Form and Certification.

⁴ Procuring Officer" shall mean the head of the department or the individual or individuals authorized by the head(s) of the department(s) undertaking the procurement and with respect to those matters delegated to the Bureau of Purchase and Supply pursuant to Section 161.11(a) of the Laws of Westchester County, the Purchasing Agent.
