I. PROPOSAL INFORMATION

The County of Westchester, acting on behalf of the Westchester-Putnam Local Workforce Investment Board (the “WPLWIB”), (the “County”) is requesting proposals from qualified entities to provide ‘boot camp’ services, consisting of personal and career assessment services, financial planning training services, and various training services related to the process of obtaining a job, as further described below (the “Boot Camp Services”), for a project funded by the United States Department of Labor (“USDOL”) under an H1-B Ready to Work Partnership Grant. The project will be called the Hudson Valley Healthcare Workforce Connection (the “Connection” or the “Project”). The Project will match long-term unemployed (“LTU”) individuals and incumbent workers (the “Target Population”) to accelerated re-employment, short-term and long-term training, and work opportunities in high-demand H-1B-eligible healthcare occupations (the “Grant-Funded Services”). The Grant-Funded Services are intended to be provided to a total of 500 individuals, of whom at least 425 (85% of the total) are intended to be LTU individuals and no more than 75 (15% of the total) are intended to be incumbent workers. An “LTU” individual is a person who has been unemployed for 27 or more weeks. Each LTU individual who will receive the Grant-Funded Services must be registered with the One-Stop Operating System (“OSOS”).

This Request for Proposals (“RFP”) will be issued through the County’s website for RFPs: <http://www.westchestergov.com/rfp> This RFP may be found there under “Boot Camp Services” and downloaded.

A copy of this RFP is anticipated to also be posted on the WPLWIB’s website (<http://www.westchesterputnamonestop.com>), where it can be downloaded.

The USDOL “Solicitation for Grant Application” (and the first and only amendment thereto) for the above-mentioned H1-B Ready to Work Partnership Grant, as well as the grant agreement (the “Grant Agreement”) subsequently entered into between the County and USDOL for the above-mentioned grant, will also be made available on both the County’s website for RFPs and the WPLWIB’s website.

The County is now soliciting proposals from entities to provide the Work, as defined below.

B.) SCOPE OF WORK

The successful proposer will provide the Boot Camp Services, as specified below, through seven separate six-week boot camps that will be provided to LTU individuals (the “Work”). The Boot Camp Services in each six-week boot camp will include the following:

Comprehensive Assessment

The successful proposer will be responsible for initiating and updating each boot camp participant’s hard copy and electronic case records to include a comprehensive assessment of the participant, including personal background information, education history and accomplishments, employment and work experience; special skills and certifications. The successful proposer will also capture information on the individual’s special needs or classification based on military experience, criminal history and disabilities. This assessment is anticipated to take no more than one week. The successful proposer will use this information to determine each individual’s readiness to participate in the boot camp and subsequent activities in other Grant-Funded Services. The successful proposer will use this information to develop the individual healthcare career plan and map, which is described below.

Individual Healthcare Career Plan and Map

The successful proposer will be responsible for developing with each participant a healthcare career plan and map in the OSOS case management system that will provide the guiding paths to a health care career. The successful proposer will use the resources of the One-Stop Employment Centers located in Westchester, Putnam, Rockland, Orange, Dutchess, Sullivan, and Ulster counties; including the center located at 120 Bloomingdale Road, White Plains, New York, and any other resource that may be deemed necessary for this individual to succeed in a healthcare career. The successful proposer will modify and update this document for each participant as elements of the individual career plan change.

Financial Planning

The successful proposer will offer financial planning training to all boot camp participants to help each to establish and appreciate his/her financial position and to incorporate this into his/her

healthcare career plan. The successful proposer will be required to help each participant develop a document that reflects his/her current financial position and the plan to improve his/her financial position through a healthcare career. The successful proposer will have participants examine the financial impact of long-term unemployment, how to manage their households while engaging in education and credentialing, and how to plan for their financial future. This part of the Boot Camp Services is anticipated to be provided through a series of workshops.

Attitudinal and Resiliency Training

The successful proposer will be responsible for offering training (through mental health professionals, as appropriate) that will help each participant identify personal attributes that may contribute to his/her success in a healthcare career. The successful proposer will also help each individual to identify personal attributes that may affect the development of a healthcare career in a negative way. The successful proposer may use a recognized successful model or develop a training model on its own but, in either case, this offering must help each participant develop general self-confidence and a positive attitude toward the healthcare career that he/she is pursuing. This aspect of the Boot Camp Services is anticipated to be provided through workshops during the six-week boot camp. The successful proposer will be required to offer a series of up to ten private, one-on-one sessions to address ongoing depression, stress, fear of change, and/or other issues common to LTU individuals. The successful proposer will be required to refer to appropriate providers those participants who need further assistance after the private, one-on-one sessions have been completed.

Community Building

The successful proposer is responsible for each participant completing a community based project that helps him/her learn more about the local economy, employment, education and businesses. The successful proposer must ensure that participants complete a community development project that reflects their apperception for their economic realities in the immediate community and their place in that system. The successful proposer will work with employer Partners to provide participants with introductions to targeted professions, including through off-site “Day on the Job” experiences that will allow LTU individuals to ‘see’ themselves in the field.

Computer and Social Media Skills

The successful proposer must help each participant develop the competency he/she needs to use a computer and related social media resources to aid in the healthcare job readiness preparation, job search, and finding and securing healthcare employment. This work must specifically include a primer on how to effectively use LinkedIn, Facebook, Google Hangout, and other social media to network, market, research, and continue skills training and education. Each participant must be able to successfully establish competency in basic computer skills and related social media applications. In addition, the successful proposer must introduce participants to the Connection’s online community, which is currently under development, and how to use that website to keep in touch with participant cohort members during the course of the Project.

Job Coaching, Placement, and Retention

The successful proposer will be responsible for helping find employment opportunities for participants, making appropriate job referrals, and helping employed participants retain their jobs. The successful proposer will support participants in their efforts to put together applications for college and training programs, as well as update their resumes and prepare for healthcare job interviews.

Each proposer accepts and agrees that, if selected by the County, it will be asked to sign a contract containing the following, or language in substantially the following form:

1.) INSURANCE, INDEMNIFICATION, AND DEFENSE

“The Contractor agrees to procure and maintain insurance naming the County as additional insured, as provided and described in Schedule “C”, entitled "Standard Insurance Provisions", which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule “C”, the Contractor agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the negligence of the County, the Contractor shall indemnify and hold harmless the County, its officers, employees, agents, and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorneys' fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Contractor or third parties under the direction or control of the Contractor; and

See: Schedule “C” to this RFP for the “Standard Insurance Provisions”.

2.) NON-DISCRIMINATION

“The Contractor expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation,

3.) COMPLIANCE WITH LAWS

“The Contractor shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations, including, but not limited to, those applicable to the Contractor as an employer of labor. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such

adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Contractor, then the Contractor shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the “State Budget”) proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Contractor, then the Contractor shall have the right to terminate this Agreement upon reasonable prior written notice.”

CRIMINAL BACKGROUND DISCLOSURE INSTRUCTIONS

Pursuant to Executive Order 1-2008, the County is required to maintain a record of criminal background disclosure from all persons providing work or services in connection with any County contract, including leases of County-owned real property and licenses:

- a.) If any of the persons providing work or services to the County in relation to a County contract are not subject to constant monitoring by County staff while performing tasks and/or while such persons are present on County property pursuant to the County contract; and
- b.) If any of the persons providing work or services to the County in relation to a County contract may, in the course of providing those services, have access to sensitive data (for example SSNs and other personal/secure data); facilities (secure facilities and/or communication equipment); and/or vulnerable populations (for example, children, seniors, and the infirm).

In those situations, the persons who must provide a criminal background disclosure ("Persons Subject to Disclosure") include the following:

- a.) Consultants, Contractors, Licensees, Lessees of County-owned real property, their principals, agents, employees, volunteers or any other person acting on behalf of said Contractor, Consultant, Licensee, or Lessee who is at least sixteen (16) years old, including but not limited to Subconsultants, Subcontractors, Sublessees, or Sublicensees who are providing services to the County, and
- b.) Any family member or other person, who is at least sixteen (16) years old, residing in the household of a County employee who lives in housing provided by the County located on County property.

Under Executive Order 1-2008, it is the duty of every County Consultant, Contractor, Licensee, or Lessee to inquire of each and every Person Subject to Disclosure and disclose whether they have been convicted of a crime or whether they are subject to pending criminal charges, and to submit this form with that information.¹ Accordingly, you are required to complete the attached Criminal Background Disclosure Form and Certification.

Please note that under no circumstances shall the existence of a language barrier serve as a basis for the waiver of or an exception from the disclosure requirements of Executive Order 1-2008. If translation services are required by the Consultant, Contractor, Licensee, or Lessee to fulfill this obligation, it shall be at the sole cost and expense of the Consultant, Contractor, Licensee, or Lessee.

Please also note that the conviction of a crime(s) and/or being subject to a pending criminal

¹ For these disclosures, a "crime" or "pending criminal charge" includes all felonies and misdemeanors as defined under the New York State Penal Law or the equivalent under Federal law or the laws of any other State.

charge(s) will not automatically result in a denial of a person's right to work on a County contract, right to be on County property, or license, but may, if the County determines that the prior conviction(s) or pending criminal charge(s) create an unacceptable risk. However, if a person fails to list or falsifies any part of his/her conviction history or any pending criminal charge(s) for any reason, he/she may be prohibited from working or being on County property without any risk assessment. If it is later determined that a Person Subject to Disclosure failed to disclose a criminal conviction or pending criminal charge for any reason, his/her right to work on a County contract, be on County property, or license may be terminated at any time.

Please further note that, pursuant to Executive Order 1-2008, and subject to the applicable provisions of New York Correction Law §§ 752 and 753, the County has the right to bar a Person Subject to Disclosure from providing work or services to the County or from being on County property if any such person has:

- a.) A conviction of a crime(s);
- b.) A pending criminal proceeding for a crime(s); or
- c.) Refused to answer questions concerning his/her criminal background

Please finally note that any failure by a County Consultant, Contractor, Licensee, or Lessee to comply with the disclosure requirements of Executive Order 1-2008 may be considered by the County to be a material breach and shall be grounds for immediate termination by the County of the related County contract.

Exemptions

Executive Order 1-2008 exempts from the aforementioned disclosure requirements Persons Subject to Disclosure:

- a.) for whom the County has already conducted a background check and issued a security clearance that is in full force and effect; and
- b.) for whom another state or federal agency having appropriate jurisdiction has conducted a security and/or background clearance or has implemented other protocols or criteria for this purpose that apply to the subject matter of a County contract that is in full force and effect.

If you are claiming an exemption for one or more Persons Subject to Disclosure, you must notify the Procuring Officer².
